

NOTICE

No. S.E.,S.E.C & E.CoR/ ECCS Ltd./Software/2026/01

6th April 2026

It is our pleasure to inform you that the Management of the Society has been continuously working towards enhancing digital services for the convenience of our valued shareholders. As a part of this initiative, we are pleased to announce the **launch of Loan Modules** in a phased manner.

The implementation will be carried out in **two stages** as detailed below:

1. Offline Implementation (Phase I):

The Loan Modules will initially be implemented **offline across all 12 branches in a phased (branch-wise) manner**, commencing from **7th April 2026**. This phase will ensure proper system testing, process alignment, and smooth operational execution at all branches.

2. Online Implementation (Phase II):

Upon successful completion of the offline implementation, the **Loan Modules will be made available online** through the **Parivartan Mobile App** and the **Society's website (www.ubreccs.com)** in due course. Then the Shareholders will be able to conveniently apply for loans digitally from anywhere.

The exact date for the online launch will be communicated separately after the successful completion of Phase I.

This initiative marks a significant step towards our vision of becoming a **fully digitalized society**, enabling the shareholders of the society to access all services — Holiday Home bookings, maintenance of Share, CMTD, Loan, Saving Deposit (SD), Recurring Deposit (RD) and Fixed Deposit (FD) accounts — anytime and from anywhere in India.

We look forward to your continued support and cooperation as we move towards a more convenient and digital future.
